

Lecture: Cornwall Goes to War

Tuesday, November 8th, 2022, at 7 p.m.

As we celebrate Veterans Day 2022, we thank and honor the veterans who served and defended our country. For more than 215 years, the Cornwall community also contributed to the defense of our Nation in a variety of ways. This webinar reviews how Cornwall helped defend the United States in the Seven Years War, Revolutionary War, Whiskey Rebellion, Civil War, World War I and II, and the Korean War. The Cornwall Iron Furnace Associates is hosting this virtual presentation, Cornwall Goes to War on Tuesday evening, November 8<sup>th</sup>, at 7 p.m. via Zoom.

The presenter will be Michael Weber, who volunteers as a guide, researcher, and lecturer at Cornwall Iron Furnace. As a 1982 geosciences graduate from Penn State, Mike worked for 36 years as a geologist, health physicist, and manager for the U.S. Nuclear Regulatory Commission and the U.S. Geological Survey. After retiring from Federal service, he returned to Cornwall Furnace, where he serves as a guide and researches the history of mining and the geology at Cornwall and similar deposits in PA.

Mike Emery (CIF Administrator) will moderate a brief discussion at the end of the presentation.

This is an online lecture that will utilize the Zoom platform.

Space is limited, and registration is required. To register please go to:
